

# The camping plans of The Netherlands

Are campers going on holiday this year? This infographic contains the results of the ACSI research into the camping intentions of campers from the Netherlands. A total of 3,891 Dutch campers participated in the survey.

**3,891 respondents**

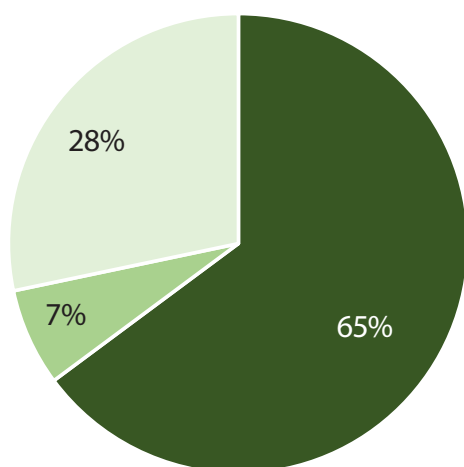

69% have their own caravan

23% have their own camper

## Are you still planning on camping in 2020?

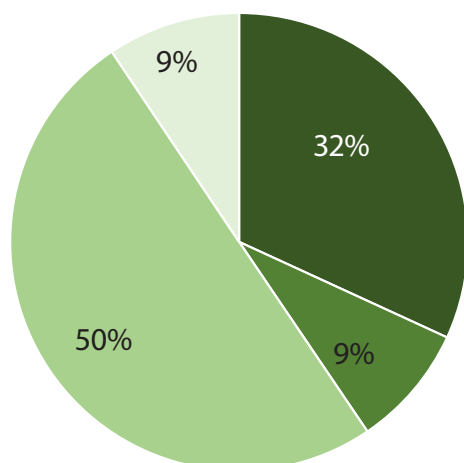

### Booking cancelled, but still on holiday

37% of campers have or had booked one or more campsites for 2020. 26% (365 respondents) cancelled the booking. This does not mean that these holiday plans will not go through. Almost 65% of them indicate that they still will be going on the road. Only 7% will not camp at all in 2020 this concerns only 25 campers.

- Yes
- No
- I don't know yet

## Plans of non-bookers 2020

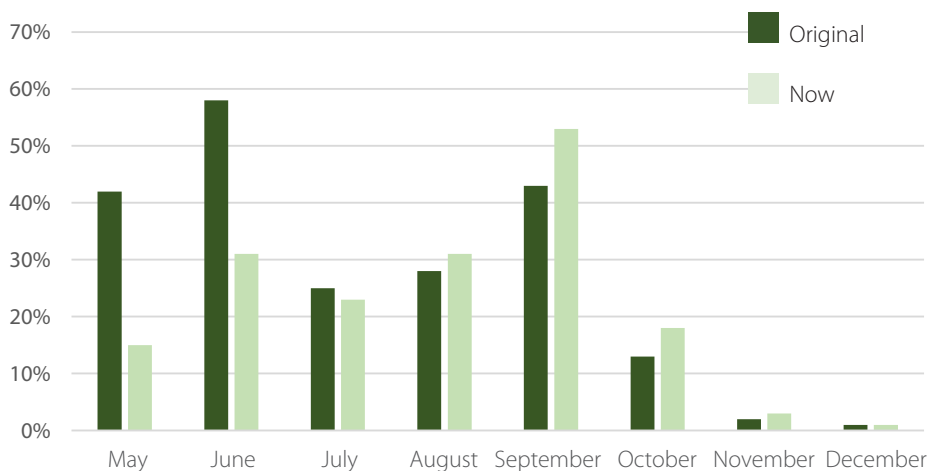

### Holiday plans changed

Campers who did not book but had holiday plans in mind are largely planning to go on holiday. Only 9% indicate that they cancel their holiday plans and will not go on holiday in 2020; these are 224 campers.

- I don't know yet if I'm going to change my holiday plans
- I've cancelled my holiday plans and I'm not going any more
- I've changed my holiday plans
- I intend to carry out my holiday plans

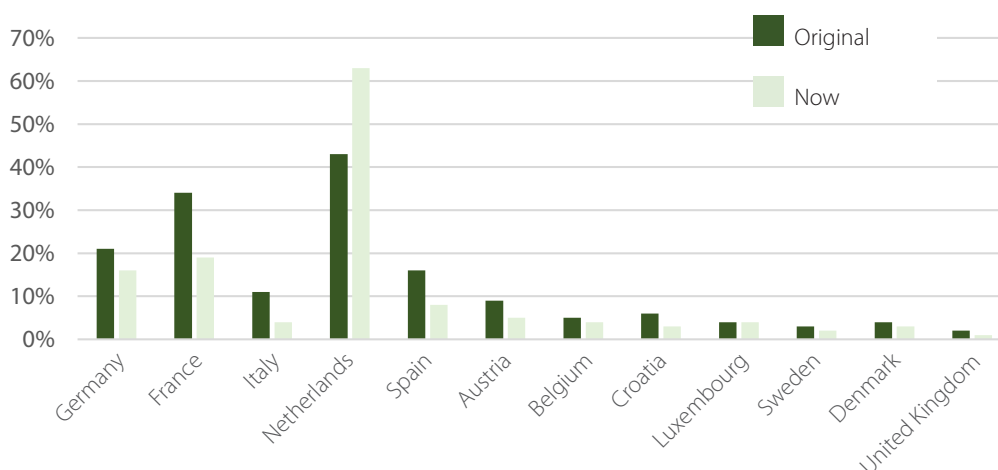

## Camping intention - months 2020

### Period - shift to autumn

What were originally the most popular camping months and what are the favourite ones now? Research shows that campers initially wanted to camp mainly in May and June. That's now moved to August, September and October.

## Camping intention - countries 2020

### Destination - own country now more popular

The wishes of Dutch campers have also changed in terms of destination. Their own country has become even more popular: there is a shift to the Netherlands from Germany and France.

## Corona-voucher

### Positive reception

Many travel agencies and campsites offer a travel voucher instead of a refund if the holiday cannot go ahead. The study asked whether the camper agrees with the statement 'I understand if, given this exceptional situation, a campsite offers me a voucher for the (down) payment instead of a refund'. 63% agree (completely) with the statement. 16% (completely) disagree with the statement.
